Blast Rips Front Porch and Windows

Attack Is First Against American In Cyprus Rebellion

NICOSIA, Cyprus (U)—Greek Cypriots bombed the house of U.S. consular official John Meehan Friday night, terrorizing his wife and three children who were preparing to retire.

The bomb ripped apart the front veranda and shattered windows but nobody was injured.

It was the first direct incident against a U.S. citizen in the year-long struggle of the Greek Cypriots to wrest this strategic Eastern Mediterranean island from Britain.

INTELLIGENCE sources said it was evident that the anti-British feeling of the underground EOKA organization is turning against the Americans.

Meehan, of West Acton, Mass., is a communications official at the U.S. monitoring station attached to the consulate.

The bombing came shortly after British Prime Minister Anthony Eden said in London that Britain never would accept a suggestion that it hand over the island to become a NATO base under the Greek flag.

HE SAID BRITAIN needs Cyprus as a base from which to protect its vital Middle East oil holdings.

He blasted Greece for stirring up "terrorist activity" on Cyprus by "radio propaganda of the foulest character" although both Britain and Greece are members of NATO.

"I want everyone, including our friends, to heed: There can be no question of this country yielding any essential element in the defense of its legitimate and vital interests. Examples of this are the Persian Gulf, Cyprus and Aden," Eden said.

"No Cyprus, no certain facilities to protect our supply of oil. No oil, unemployment and hunger in Britain. It is as simple as that."

Private Safety Council Formed in 27 Counties

SAN FRANCISCO (U)—A newly formed private safety council, designed to coordinate efforts of groups in 27 California counties, outlined its plans Friday at the closing session of the Western conference of the President's Traffic Safety Committee.

The new group was incorporated last January by 41 business leaders as the California Traffic Safety Foundation.

Henry E. North, San Francisco, said the group will spend \$300,000 a year in promoting better safety practices in many parts of the state. He said 19 counties have been tentatively selected as having the potential resources to support a fulltime organization for countywide traffic safety control.

The counties include San Bernardino, Orange, Riverside and Imperial.

WU Employees Strike, Return

LOS ANGELES (U)—Western Union employees in the Los Angeles area were back at work today following a brief walkout to discuss the advisability of working without a contract.

Merle Wissler, president of Local 48 of the Commercial Telegraphers Union, called an "emergency meeting" yesterday which was attended by 800 local Western Union employees.

HOW TO CURE A BIG-READ When I look at the stars and realize that the light from some of these stars, traveling at 185,000 miles a second, takes a million years to reach my eyes, I realize how tiny and insignificant this earth is, and how microscopic and evanescent are my own little troubles. I will pass on soon; but the desert stretching for a thousand miles and the stars and spiral nebulae swarming through illimitable space above—they will continue for thousands of millions of years. I marvel that any man looking up at the stars can have an exaggerated opinion of his own importance.

THE WEATHER

Desert area forecast: Variable high cloudiness today through Sunday with cloudiness at times in south portion. Warmer in most sections today with high temperatures 88-98 in upper valleys to 108 in lower valleys. High here yesterday was 105, and low was 62.

Area Voters Go to Polls Tuesday on Issues Vital to Desert Empire

Residents of Palm Springs and the Desert Empire will go to the polls Tuesday to vote in the statewide primary election.

Many important issues as well as close fights for national state and county electorate positions are at stake. Most will vitally affect desert area residents.

Voters will choose between delegates for Adlai Stevenson and Estes Kefauver to the National Democratic Convention in San Francisco and approve the delegation for President Dwight D. Eisenhower at the Republican Convention in San Francisco.

In the race for U.S. Senator, Thomas Kuchel and Samuel Yorty have crossed-filed and will run against Richard Richards on the Democratic ticket and Tilden W. Johnson of the Republican ticket.

This race has been a hot issue, with Senator Kuchel winning by a narrow margin in the last race. A big issue in the desert area is the race for a representative in Congress. Consensus of local residents is that of the eight candidates running for the position, three will show a close total. Highest interest has been shown locally in Herman Reich of Palm Springs, Jacqueline Cochran Odum of Indio, and Fred Eldridge of Corona.

Others running for the position are Norman J. Davis of Beaumont, Carl S. Kegley of Corona, Bill Krieg of Riverside, D. S. (Judge) Saund of Westmoreland, and James A. Smutz of Riverside. All candidates but Davis and Krieg, crossed-filed.

FOR REPRESENTATIVE to the state senate, Nelson Dilworth of Hemet, and Richard L. Hammett of Riverside crossed-filed and will run with Robert M. Irwin on the Democratic ticket.

The race for assemblyman finds Lee Backstrand of Riverside and J. Malcolm Jared of Indio crossed-filed, with Earle D. Winderman of Corona running only on the Democratic ticket.

In the race for supervisor of the Fourth District, George Berkeley of La Quinta, incumbent, will pit his popularity with that of Clifford Dean of Banning.

Voters in this area will cast a ballot for their supervisorial representative only. There are two other races for supervisors in the county, in the first and third districts.

THE NEWLY inaugurated position of members of the County Board of Education is for the first time on the ballot, with all candidates being elected at large. The race is broken down into areas, of which there are seven in this county, and no one has filed for the position in Area 5, which includes Palm Springs, Beaumont and Banning. Unverified reports have been received that R. A. Coverdale of Beaumont is a written candidate for the position.

In the other areas candidates have filed and include: Area 1, Evelina G. Rowell who is unopposed; Areas 2 and 3, Jerry Gardner, W. Edward Gardner, Frank F. Lee and Helen Sallender, and

Helicopter Spots Body of Yosemite Hiker in Crevice

YOSEMITE, Calif. (U)—The body of a hiker missing for five days in Yosemite National Park was spotted today by a helicopter pilot in a treacherous crevice east of Yosemite Point Couloir.

Chief Ranger Oscar Sedergeren reported Dr. Robert Franklin Johnson, 28, apparently fell to his death while attempting to descend the sheer mile-high wall.

"If possible," Sedergeren said, "we'll remove the body. It's going to be a tough and time consuming job to get him out of there."

Helicopter pilot Edward Kohls of Stockton, Calif., located Johnson on his second flight over the area. He was ordered to the scene after footprints were discovered on the rim of the wall late Friday.

Sedergeren said the body was jammed into the crevice about 200 or 300 yards below a point where rangers had roped downward in a preliminary descent after uncovering the tracks.

Northwest Floods Loom; East Gets Heat Relief

By UNITED PRESS

Floods threatened parts of the Northwest today while chilly breezes from the Midwest chased sticky weather from the East Coast.

Rising waters of the Columbia River brought warnings from the Oregon Board of Health directed at residents of low lying areas.

The board said persons in areas likely to be flooded should receive typhoid shots.

No typhoid cases were reported although valley lands from Trail, B.C., to Rainier, Ore., and Kalama, Wash., were menaced.

At Kalama, declared under a state of emergency, workers piled 25,000 sandbags along 2000 feet of dikes. Kalama streets remained dry.

The river edged toward the top of the dikes at the Dalles, Ore., where state Civil Defense officials put an emergency plan in operation to hold off the waters.

Meanwhile, perspiring Easterners welcomed relief from muggy weather which had clung to the Atlantic Seaboard for the past few days.

Overnight temperatures plummeted 18 degrees at Syracuse, N. Y., from 66 early Friday to 48 early today.

The colder air triggered violent storms as it moved east and south from the Midwest.

Biggest Battle of Algeria Rages

ALGERIA (U)—French troops have smashed deep into a rebel mountain stronghold and killed 230 Moslems in one of the biggest battles of the 17-month-old Algerian War, officials disclosed today.

The official announcement said another 110 rebels were captured. There was no announcement of French casualties.

The battle took place in the Iron Gate section of the Black Rock Mountains, about 70 miles west of Constantine, bringing the war to one of the rebels' most tightly defended hideaways.

Veteran Actor Jean Hersholt Dies in Beverly

'Dr. Christian' Of Screen Fame Passes After Year's Illness

HOLLYWOOD (U)—Veteran actor Jean Hersholt died today at his home in Beverly Hills. He had been in failing health for approximately a year and recently was hospitalized. He was 69.

The Danish-born character actor was best known for playing kindly roles, particularly the "Dr. Christian" of radio and motion pictures.

He also was active locally in many community and humanitarian activities and just last month had been honored at a testimonial banquet by the motion picture industry.

At the time his health was such that his physicians would let him stay at the banquet for only an hour.

Hersholt, a veteran of some 500 films, also had served as president of the Academy of Motion Picture Arts and Sciences and the Motion Picture Relief Fund.

Hersholt had been a handsome leading man before becoming a character actor although one of his most famous roles was as a villain in a silent film, "Greed."

He also achieved recognition in the literary field with his translations of Hans Christian Andersen's fairy tales.

Villager Killed, Wife Injured in Crash Off Bridge

Oscar R. Clark, 72, a resident of Ramon Trailer Park, 1441 East Ramon Road, was killed, and his wife, Naomi, 65, suffered lacerations on the face and chest in an accident yesterday on the San Bernardino freeway near Claremont.

Clark was a passenger in the car being driven by his wife, when the house trailer they were pulling tipped over, causing their auto to plunge over the side of a bridge and drop 17 feet to a street in the Claremont city limits.

Appliances Fattening Housewives, Says League of Nations Research

CHICAGO (U)—A housewife with an automatic washing machine, clothes dryer, ironer, vacuum cleaner and dishwasher should go out and buy some barbells and dumbbells.

This, at least, is indicated by a study of the modern housewife's regimen and dietary needs undertaken by the American Bakers Association.

Before the advent of automatic appliances, the average housewife burned up about 2100 calories a day. Now, the study indicates, she uses up about 1275, or 825 less.

Before appliances took the drudgery out of housework, a woman burned up 75 calories in a single hour of sewing, knitting, ironing and dishwashing.

For an hour of sweeping, dusting, and washing things like socks and underwear she consumed about 110 calories. For heavy washing—shirts, trousers, dresses and the like—300 calories.

An hour of polishing furniture burned up 300 calories. So did

To Our Readers . . .

It seemed a pretty ambitious move when the decision was made about a year ago to convert The Desert Sun into a daily newspaper. While the area was enjoying rapid growth, there was some doubt as to whether it was big enough to support a good daily newspaper—which the owners were determined it must be if the change was made.

A review of this first season with a daily newspaper has shown beyond all doubt that the area was ready for it. From the very first issue there was every indication that the project would be a success. It was better timed than anyone could foresee, for Palm Springs and the surrounding resort area has grown more in the last nine months than the most optimistic predictions. This growth, together with the wealth of news and pictorial material already existing, made possible a good daily newspaper right from the beginning with the facilities that had been provided.

Growth in both population and business activity produced the two ingredients necessary for a successful daily: a sufficient number of readers and healthy advertising patronage. The Desert Sun has been fortunate to enjoy both as evidenced by a growing subscription list and good-sized papers throughout the whole period. Classified advertising alone, for example, has exceeded by many times the amount carried by the average daily in a community of this size.

The owners and management of this newspaper are indeed grateful for interest, support, and compliments and criticisms which we have received during these past nine months. They could not be individually acknowledged so we are taking this opportunity of expressing our appreciation. We have tried to show our gratitude all along by bringing to you a good newspaper that faithfully reflected a good community. Every member of the staff has pitched in with pride and vigor.

We now feel that our prediction of last fall has come true—that a good daily newspaper would be a great boon to this whole area. It has emphasized the remarkable growth of this section in a very convincing way. Almost every issue has carried the story of a new development, of improved facilities to attract new residents and more vacationists. With more than double the pictorial content of newspapers in communities of this size, The Desert Sun has carried a daily pictorial account of life in this famous vacationland.

And what of the future? With the resumption of daily issues again in September, The Desert Sun will be a bigger and better newspaper. In this first year we have found many places where improvements in the paper can be made. Facilities will also be expanded. We are planning with confidence for an even greater year ahead. We believe that the prosperity and continued growth of the Palm Springs area is definitely assured. And we are determined that this newspaper will always keep pace with the growth of the fine community it is privileged to serve.

In the meantime, we'll be with you with a Desert Sun dated every Monday and Thursday for the rest of the summer (except next Monday) with a twice-a-week report of all that's going on here—and it is going to be a busy summer indeed. We hope you will continue to enjoy The Desert Sun as much as we appreciate the opportunity of serving you.

GI Marriages to Japanese Now 100 Weekly

TOKYO (U)—Marriages between American servicemen and Japanese girls have zoomed to a near record rate of 100 a week, it was disclosed today.

Japan News said data available in Tokyo, disclosed more than 25,000 U.S. servicemen have married Japanese girls since 1947.

That was the year the law was changed to permit inter-marriage. The marriage rate began to climb in the latter half of 1955, the News said.

Figures showed 1837 marriages in the first six months of 1955 against 2461 for the last six months of the year.

A mangle cuts down the count by another 75 calories, and if a housewife doesn't own an ironer but sends the stuff to the laundry the result is the same.

The Bakers' Association said it based all this data on research undertaken years ago by a technical committee of the League of Nations, research that is still regarded as standard.

The association concluded that a modern housewife needs a diet, but it must be rich in protein, vitamins and minerals.

Police Book Him After Long Quizzing

Deputies Assert Discrepancies Were Found In His Story

Sheriff's deputies said just before noon today that the hatchet used in the brutal slaying of Inez Perkins is the one owned by Lawrence Perkins for use around the trailer home, and which he has said had been missing for a week or 10 days.

Lawrence Perkins, 57, husband of Inez Edna Perkins, 42, late last night was booked into the Palm Springs jail on a charge of suspicion of murder, by Riverside County Sheriff's Deputies Lt. Ed Brown and Carroll Vogelaur.

Mrs. Perkins, attractive winter resident of the Horizon Trailer Village, was found dead early yesterday morning on a chaise longue near her trailer home. She had been killed by three blows on the top of the head with a sharp edge of a hatchet.

Perkins was arrested last night at the home of John Morgan, deputy district attorney, after lengthy questioning by officers.

"There are a lot of discrepancies between his story and the physical evidence found in the investigation," said Deputy Vogelaur.

The husband's story, which he reiterated throughout the questioning, is that he found his wife after "hearing a noise" and got out of bed to investigate. He told how he felt her pulse, put a blanket over her and ran to summon police. After calling the police he returned to the trailer home and sat inside until the police arrived. They took him to the trailer park office where they kept him under guard. Early yesterday morning he was taken to the local police station where he related the entire story again to officers.

IN HIS CELL last night, Perkins was questioned by Desert Sun reporters, and steadfastly denied that he had had anything to do with his wife's death. Although he was sleepy, he was calm and apparently unshaken by the events which led to his arrest last night.

Yesterday, the Perkins' would have celebrated their second wedding anniversary.

Sheriff's deputies found a hatchet in bushes near the trailer, and it was blood stained. It was sent immediately to Riverside for laboratory tests. Though the hatchet has not been identified by Perkins, it is reported that they had one which was used to cut wood for a barbecue.

Perkins is a veteran of World War II, and walks on crutches as the result of back injuries received while serving in the Philippines in the Seabees. He comes from Oroville, Wash., where he has a small farm on which "many different crops are grown." He also said he has been employed as a construction worker.

The Perkins were reportedly a very religious pair, and kept free religious literature in their trailer. Leo Paquette, owner of the Horizon Trailer Village, said that the couple had put a cross on top of the hill over the trailer, and had strong electric lines to light it.

Reich Expresses Optimism in Vote Tuesday

Herman Reich, Palm Springs, candidate for Congress from the 29th District, today expressed optimism concerning the Tuesday primary election.

"I believe that I will receive a majority in Palm Springs, Desert Hot Springs, Cathedral City, Banning, Beaumont, Rancho Mirage and Palm Desert," Reich said. "I further believe that I will hold my own in the San Jacinto-Hemet area, Palos Verde Valley and Imperial Valley and Indio. I will get some votes in Corona and Elsinore, and will do well in the Perris Valley."

He termed the "real campaign" as being in the City of Riverside, and said that there he had "done most of his work."

"How effective my personal campaign has been in Riverside will decide the election as far as I am concerned," he continued. Reich has completed his Imperial Valley campaign and will spend the remaining days before election in Riverside.

Culver Nichols, local chairman for Reich, announced today that a meeting of precinct workers will be held at the candidate's home, 233 Camino Alturas, at 2 p.m., Sunday.

Transportation will also be furnished to the polls Tuesday by Reich supporters. Persons desiring a ride may call 5403, 2379 or 4524. Drivers will include George Bond and Mrs. Kenny Paul.

God Sole Cause Says Lesson Sermon Sunday

"God the Only Cause and Creator" is the Lesson-Sermon subject for Sunday in all Christian Science churches.

The sermon speaks of God as the source and substance of being and of God's laws as upholding His creation. Isaiah's words typify the theme when the prophet writes, "Ask me of things to come concerning my sons, and concerning the work of my hands command ye me. I have made the earth, and created man upon it" (Isaiah 45:11,12).

A passage correlating this Scripture will be read by the first reader from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, "Spiritually to understand that there is but one creator, God, unfolds all creation, confirms the Scriptures, brings the sweet assurance of no parting, no pain, and of man deathless and perfect and eternal" (p. 69).

The Golden Text of the Lesson-Sermon is from the Psalm of David (72:18), "Blessed be the Lord God, the God of Israel, who only doeth wondrous things."

Amazing Lucille and Eddie Roberts to Appear in New Chi Chi Show June 7

The amazing and amusing Lucille and Eddie Roberts, stars of the popular radio and television show, "What's On Your Mind," will headline the new show in the Starlite Room of Irwin Schuman's Chi Chi, opening next Thursday night, June 7.

Other top entertainers to appear will be the unpredictable Charley Chaney, returning by popular demand, and the Continent's most exciting Acro-Dance act, the Margaret Sisters and Bruno.

Currently appearing and attracting large audiences, are Virginia O'Brien, lovely outstanding comedienne of stage, screen and television; Buddy Lewis, television's great comedy impressionist, and Jacqueline Hurley, outstanding acrobatic artist.

Lucille and Eddie Roberts have appeared in every top supper club throughout the nation, besides having been chosen to entertain

such personalities as King Peter of Yugoslavia, Archduke Otto of Hapsburg, the Sultan of Jehore.

The internationally known comedy team uses magic and mentalism as a background for sparkling and sophisticated humor. Originators of the popular radio and television show, "What's On Your Mind," the Roberts are planning a new edition of the same show and are gathering material for it on their present personal appearance tour.

Comedian Charley Chaney is no stranger to Palm Springs. His return is, by popular demand, with audiences acclaiming him as tops in his field.

The Margaret Sisters and Bruno are an outstanding acro-dance trio. The average act features the male dancer doing a one girl lift but Bruno lifts and twirls both girls at the same time. They feature 10 different numbers brilliantly costumed and executed.

PlayerStage Cast Proves Brilliant in Opening Night of 'Little Sheba'

By GEORGE SPELVIN

Anyone familiar with William Inge's heart moving play "Come Back, Little Sheba," knows that the little doggie Sheba was never meant to be found . . . but Producer-Director Martin Beck of the Palm Springs PlayerStage certainly has found the right formula for successful play production with his hardworking energetic and highly talented group of resident players.

The formula . . . a moving play of tenderness, and humor, a well rehearsed and sensitive cast, a beautifully mounted set . . . mix well and you have a sample of what a capacity audience at the PlayerStage American Legion Theatre Auditorium witnessed at the opening night.

The PlayerStage seems determined to pick all the toughies and they come no tougher than "Sheba." Written in a manner that it takes the utmost sensitivity and mood to get the message across, the performance of "Sheba" came off top drawer.

Interspersed into the story of Doc and Lola Delaney, who try to live their lives after a bout with

Doc's alcoholism, are touches of humor and pathos.

Verkina Beck in the role of Lola overcame the obstacle of her natural attractiveness and charm to create a masterful characterization of the sloppy, lazy, indolent, yet tenderly sympathetic Lola. John Thaliss as the reformed alcoholic gave a sensitive and controlled performance and reached a climatic drunk scene with power and conviction. He received a spontaneous hand on his exit.

Bill Milner and Bunni Hageman as the young love interest were just right . . . Bill with vitality, and vigor plus the professional know-how, and Bunni with charm and beauty plus the zeal of her bright youth injected just the right humor and relief exactly as the author intended.

PlayerStage veterans Jean Patane and John Kramer came through with their usual good, strong support in character roles, and newcomers Tony Polombo, George Demestic, Rock Hearrell and Hank LaFuente were seen convincingly in several comedy sequences.

Tackett Plans New Building in San Bernardino

William C. Tackett, owner of The Center in Palm Springs, announces plans to erect a store building on property in San Bernardino at the northeast corner of Highland and Del Rosa, directly across the street from the new million-dollar Sage Market Shopping Center, which will be one of the largest in California.

The Tackett building, on land 290 by 525 feet, will contain approximately 50,000 square feet and is expected to cost approximately three-quarters of a million dollars. It will house chain retail stores, specialty and neighborhood service shops.

Final working drawings are now in progress. Rental agents are soon to be appointed. Actual contracting will begin in early autumn.

Negotiations are also under way with a major oil company for erection of a large service station on the corner of this property.

DHS Women's Club to Install Officers

Officers of the Desert Hot Springs Women's Club for 1956-57 will be installed at a pot luck luncheon to be held at the T-Cross-K Ranch at 1 p.m., Tuesday.

Taking office will be Aletha Burnham, president; Bet Addison, first vice president; Rose Smith, second vice president; Maggi Bister, Betty Lukomski and Ruth Meadows, executive board members.

Mrs. Meadows, the outgoing president, also will assume the post of junior past president.

Approximately 15,730 persons were killed in weekend traffic accidents last year.

Cathedral City

Fifty-one students were graduated from the sixth grade at Cathedral City School, the largest class in the history of the school.

The students presented a program of music, songs and poems, accompanied by the school orchestra under the direction of Richard Dahlgren. Mary Hoover was at the piano.

Due to the fact that there were two sixth grade classes the Lions Club presented awards to the outstanding boy and girl of each class. Winners were Margaret Whitney, James Copeland, Connie Contreras and Kenneth Carr. Dr. Robert Bertrand, Lions Club, president, made the presentations.

For being selected the most outstanding athlete of the year, Gilbert Flores was presented with a new baseball glove by the members of his class. A few weeks ago Gilbert's family moved to Palm Springs. He started in the kindergarten and his classmates wanted him to be present at the graduation.

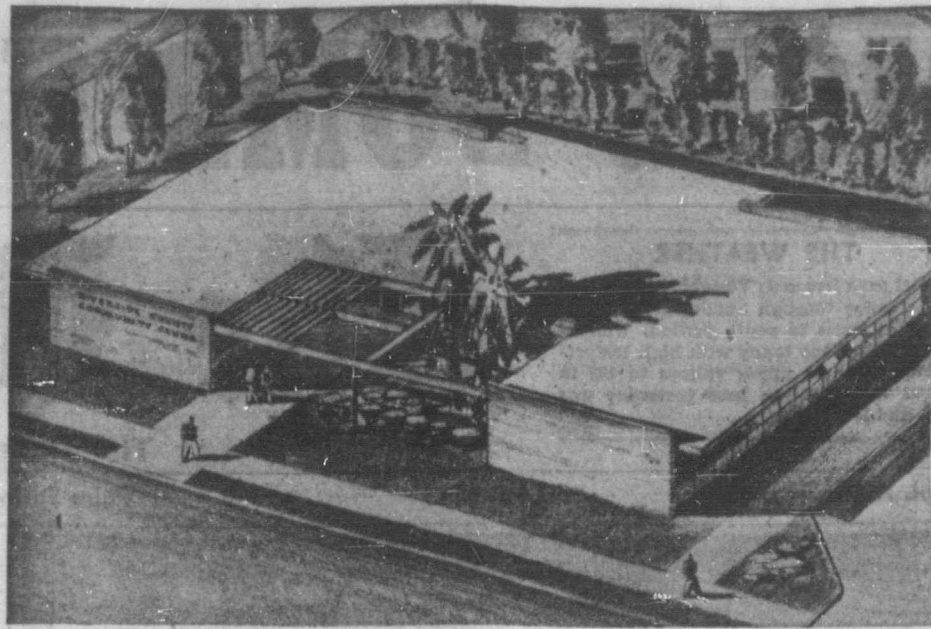

More than 250 parents and friends attended the program. Refreshments were furnished by the Cathedral City P.T.A. and served by the fifth grade room mothers.

Cathedral City School's "Out of This World Series" ended abruptly in a deadlock when the grading crew took over the only remaining baseball diamond. Jimmy Copeland's Comets and Larry White's Rockets had each won two games, and agreed to call the series a draw.

At the graduation exercises, the Parent Teacher Association presented Robert Irvine, sixth grade teacher, with an Honorary Life Membership in the California Congress of Parents and Teachers. Such an honor may be conferred upon an individual in special recognition of outstanding service to children and youth.

The parents expressed regret upon learning that Irvine had submitted his resignation effective the end of this school year. Principal Sam Micelli made the announcement at the beginning of the program.

Mr. and Mrs. Harvey Peterson, pioneer residents, and developers of Desert Cove Ranch, will leave Monday on an extended vacation. From Los Angeles they will take the train to Kansas City where they will spend a few days visiting friends, then on to St. Joseph, Missouri, to spend some time with Mr. Peterson's two sisters.

RIVERSIDE COUNTY voters Tuesday will vote on the \$4,318,000 bond issue to construct office buildings at the county seat and to provide county government services at Indio, Blythe, Hemet, Elsinore, Corona, Palm Springs and Beaumont-Banning. The bond issue will provide the community administrative office

above at Palm Springs, at a cost of \$89,000, and facilities at Riverside at an expenditure of \$2,184,000. Other items include the community centers mentioned above, plus an agricultural center, a county honor farm, warehouse and communication facility.

PALM SPRINGS can boast of one of the freaks of nature, a two headed calf. Mr. and Mrs. Bob Romatko, 395 North Indian Avenue, brought it back with them when they returned recently from a trip to Howells, Nebraska. It was owned by her father, and was born on his farm 20 years ago. One calf was still-born, and the other lived only a short time. It was displayed by her father for some time and then retired to an attic. (Desert Sun Photo)

The American Red Cross Recognition Ceremony was held at the home of Mrs. Robert Ellsworth. There was a large attendance and the awards for long and faithful Red Cross work were many. Outstanding was Mrs. A. C. Williams of Indio who has served the Red Cross for 50 years — she received the official National Red Cross Award of appreciation, and also a 35-year pin.

Mrs. L. C. Cotner received an honor certificate for her outstanding work in organizing the Coachella Valley Red Cross branch. Five-year pins were awarded to Mrs. Walter Bovee, Mrs. Tom Brown, Dr. Minnie Burden, Mrs. Ralph Caplinger, Mrs. Otter Roen, Mrs. Hester Cosgrove and Mrs. Robert Ellsworth.

Ten-year pins were awarded to Mrs. Lela Thompson, Edna O'Reilly, Belle Keightley, Louis a Ames, Ira Johnson of Indio, Everett Winard, Nick Addelson, both of Coachella.

Frank Rivers and C. A. Washburn of Indio received 20-year pins. R. C. Whitman, La Quinta a 25-year pin and Mrs. John Fitzgerald a 30-year pin.

Miss Mary Ellen Pangle, manager of American Red Cross, Riverside County Chapter, made the presentations. Also present was Miss Martha Caldwell, Director of Home Service of the county chapter. Brunch was served after the ceremony.

Television Show Brings Donation After Premiere

The far reaching effects of the Bob Hope press preview last Saturday were demonstrated when a check for \$50 was received from Buffalo, N.Y.

Mrs. Ted Charlston, a member of the board of the Women's Auxiliary of the Desert Hospital, received a letter from Mrs. Harry J. Lehman, a friend in Buffalo, which said in part: "While watching television last night, we heard Bob Hope show and his reference to the coming charity affair for the Desert Hospital. As you know, I can only think of the hospital in the highest terms and I would consider it a privilege if you, as a board member, would contribute this little check from us for we do appreciate what the service means, and what a lucky break for winter guests to be able to be there. Even though I couldn't enjoy a private room, I did recognize the ability and grace and kindness of all concerned."

Mrs. Lehman, whose husband is president of the Wildroot Company, was hospitalized several days during their winter vacation.

War Hero German Shepherd Dies, Buried Minus Military Recognition

There were no military honors, no firing of guns in final salute, no sounding of taps when one of America's war heroes went to his last long rest.

The war hero, a 17-year-old German Shepherd named Fritz, who served with the United States K-9 Corps during World War II, was put to sleep when merciful oblivion was the only answer to crippling old age. Because there is no pet cemetery in this area, he had to be cremated.

Fritz, retired after three years with the United States Coast Guard and three years with the regular Army, made his home with Eddie Marks at 160 Marcus Road. He was the same age, and had grown up since puppyhood with the Marks' daughter Dorothy Anne.

Fritz was a leader in the K-9 Corps, teaching other dogs to jumps, to climb over barricades, and trained them in the Corps ritual. He had served in many parts of the country, from Massachusetts to Florida. After he received his certificate of faithful service and his honorable discharge, Fritz went through a three month de-training period, and came home to live with his friends and owners.

Dreams of earlier glory no longer disturb him, and his aches and pains have found surcease, as he has gone on to that special Valhalla, reserved for K-9 veterans, who are also well-loved companions.

Mrs. Manasse Named Chairman

Mrs. S. P. Manasse was recently appointed area Chairman of the women's division of United States Senator Thomas Kuchel's campaign, according to word received from Mrs. Adrian E. Cameron, Riverside County Chairman.

Mrs. Manasse will be working with Republicans as well as Democrats who are interested in the reelection of Senator Kuchel. Senator Kuchel's only appearance in Riverside county will be at a luncheon at noon Saturday, June 2 at the Mission Inn in Riverside. Everyone interested is invited.

On the night of June 4 from 9:30 until 10 o'clock there will be a television program on behalf of the Senator. The program will be on Channel 7 with Art Baker as master of ceremonies.

Torah Convocation Set for June 4, 5

A Torah Convocation—two outstanding Jewish religious and cultural programs—will be held in the chapel, Harmon and Van Buren Boulevards just off Highway 395, at March Air Force Base, Monday and Tuesday nights, June 4 and 5, respectively. The public is invited. A large delegation from Palm Springs will attend.

HERMAN REICH WRITES A LETTER:

Kenny Ruth Herman Carolyn "Sergeant"

The Herman Reich Family

(Pronounced Rich)

An Open Letter

My campaign for Congress has been conducted on a closely personal basis by actual calls on a percentage of the voters in nearly every precinct. My expenditures have been modest and commensurate with the office I am seeking. I have not tried to organize committees or set up an organization, but instead have found many individual friends in each Community who have been helping me voluntarily.

I believe that the great majority of voters take their politics quietly and that only the minority get very agitated about one candidate or another. I am counting on that quiet majority to remember me on June 5th. I have made many public appearances and have won friends in each of these. A frequent comment has been, "Mr. Reich, if every voter in the district could hear you, you would win easily!"

I picture my family in my advertisement because I feel that a happy, well adjusted family relationship is essential to good, mature work on the part of a legislator. Our children are our future and for this reason I have spoken up boldly for the causes of public education and civil rights.

To specific groups of our citizens I want to address myself as follows:

TO OUR BUSINESSMEN—I have been one of you. I know your problems and will work with you to help solve them. No one knows better than I the value of new industry to our district.

TO OUR FARMERS — I have studied and will continue to study and consult with you about your problems. I will lend my help whenever it is in my power to do so. I pledge myself to be in the forefront of any battle necessary to protect and insure our water rights and a continuous water supply.

TO ALL VETERANS — I am opposed to the Bradley report. I will support bills for adequate Veterans' pensions. I am a combat veteran myself and various veterans groups have approved my candidacy.

TO OUR WORKING MEN AND MEMBERS OF THE LABOR COUNCIL — I am a Republican with a sense of human values. Your causes will be represented fairly after consultation with you.

TO OUR OLDER CITIZENS — I have talked with many of you and know your concern about the future. I will study your problem and try to represent your interests as you would want me to.

TO ALL CITIZENS — I will honestly, impartially and without regard to race, religion or political affiliation, be ever watchful of our common welfare.

IF EVERY VOTER WHO BELIEVES THAT I AM THE BEST QUALIFIED CANDIDATE FOR CONGRESS WILL GO TO THE POLLS ON JUNE 5TH AND VOTE FOR ME, I WILL WIN THE NOMINATION.

Sincerely,

HERMAN REICH

Voters Asked to Approve \$2 Million Bond Issue for County Hospital

Voters in Riverside county will be asked June 5 to approve a \$2,404,000 bond issue for the county hospital at Arlington.

This hospital has for a number of years been known to be a fire hazard, more recently major parts of it were determined to be an earthquake hazard.

Within the past year the statements of Dr. Benjamin Goldberg as foreman of the 1955 Grand Jury influenced the board of supervisors to recognize this serious condition, and to have it remedied.

Coming to the support of Dr. Goldberg in this campaign with letters and resolutions for immediate replacement of these structures have been the Superior Court judges, the Riverside County Medical Society, the Labor Council AFL-CIO, the County Farm Bureau, the hospital staff and all of the employees of the hospital, as well as the mayors and councils of all the cities in the county.

An active campaign to give the public the information necessary to realize the condition of the present hospital has been carried on now for several months.

The Division of Hospitals of the State Board of Health has on several occasions in the past months inspected the buildings, and have shown them not to comply with regulations which would protect the people from the evident dangers existing.

The monies will be used to build 100 new beds on two floors of a medical building, a new maternity and obstetrical division, a new diagnostic and therapeutic center for out-patients, an administration building to replace the present wooden structure of over 50 years vintage, new kitchens and dining rooms, and a new 100-bed nursing hospital for patients with chronic diseases who can be treated there with the idea of rehabilitation.

The bonds will be of a 30-year term amortized partially annually, and should not add more than four cents per \$100 assessed valuation at their maximum. This amount of taxes will decrease with fair rapidity not only through amortization, but because of the increased assessed valuation in the county due to the large building impetus.

The buildings which have been condemned must be replaced if the indigent of the county are to receive care, Dr. Goldberg said. If the bonds are not voted, it will become necessary for the board of supervisors to replace them to an immediate and very high increase in the tax rate over a period of from one to three years' he added. The bond issue allows the people who are to come in future years to also partially take part in the payment of the facilities which they will use.

Issues such as this require a two-third affirmative or yes vote to pass, and make the funds available.

An attempt is being made to obtain federal and state funds to pay for a portion of this building program. This will lessen some of the burden to the taxpayers if it is forthcoming, as it will replace some of the funds from the bond issue. To get state or federal funds, the matching money which the bonds will provide must be available within four months if the State Hospital Council makes funds available to the county.

We Must Have A GENERAL HOSPITAL

A Fire Hazard and an earthquake hazard in the present structures of the General Hospital will remove from use the major service buildings of our County Hospital and with our increasing population will prevent sick people who need the services of this institution from receiving care.

1. Fire hazard in the Administration Building, a wooden structure 50 years old, is a potential danger to the patients and must be replaced immediately. The State Fire Chief and Chiefs from Riverside, Redlands, San Bernardino and Santa Ana have all condemned this building. Are we going to wait for a holocaust — many burned and dead bodies to correct this?
2. The Medical Unit Building, built in 1928, has been found by state hospital engineers and a special consulting engineer employed by the county to be an earthquake hazard, and as such, must be replaced. The seismologists of our State Universities have all predicted a major earthquake in the near future along the San Andreas fault, which passes through this area.
3. Marked increase in population in our County causes overcrowding in the present hospital with great need for additional beds. There

- were 5,380 admissions to the hospital in the past year, with 100,067 patient days as the total service.
4. The Out-Patient Department which last year serviced 27,543 patients is overcrowded and unable to render satisfactory service.
5. The Maternity Division is overcrowded and cannot give adequate facilities and care for the mothers and newborn.
6. The intern and resident physicians at the hospital are supplied with housing for themselves and their families, if necessary. At this time, such quarters are not adequate and outside rentals must be made.
7. A recent survey at the hospital determined an average of 70 elderly individuals with chronic medical and surgical disabilities resident there for an average of over 2 years, depriving acute emergencies of their necessary and immediate care.

These conditions must be corrected or the people of Riverside County will have practically no hospital facilities for their indigent.

These Are The Present Requirements

1. New Administration Building so laid out and arranged as to facilitate the easy admission of both out-patients, clinic, and hospital patients. No unnecessary wandering through many corridors with a loss of energy and tempers. The building will be in close proximity to the various medical and surgical services to facilitate the care of patients.
2. New kitchens for the preparation of all hospital foods. These are centrally located so that within several minutes the food prepared can be delivered to the bedside of the patient.
3. A diagnostic center and out-patient clinic as the first floor of the Medical Unit will furnish additional space and equipment to more than double the present load of out-patients.
4. The second floor of the building will be a Maternity Division which will have 32 beds and a modern nursery and formula rooms and other equipment. This will remove these patients from the surgical building.

5. The two floors above this will house 100 patients for medical care in small units of 4 beds with more than adequate room, with toilets and lockers in each room, thus giving some privacy and more quietude in place of the wards which now accommodate 18 to 20 patients.
6. A new building for chronic disease patients with a 100 bed capacity is planned for such individuals with chronic diseases that require hospitalization and rehabilitation. This is a most important consideration and has become a No. 1 project in this entire nation as recently pointed out by President Eisenhower and as seen in our own country. Taking these patients from the hospital proper would allow 2100 more patients to be treated each year with an average hospital stay of 12 days.
7. Duplex cottages to house the intern and resident staff are also a part of this program. These are simple, comfortable dwellings for the resident staff.

At this time, it is estimated that \$2,404,380 is needed to correct the serious conditions that exist at the hospital and to provide the new facilities that are so necessary. Application has been made for State and Federal aid in partial payment of some of the projects, which may reduce this amount. The bond issue will be spread over a period of 30 years, and if sold entirely within one year, would increase the tax rate of 4 cents per \$100 of assessed valuation. This 4 cents would diminish rapidly with the marked increase in the assessed valuation resulting from the tremendous building increase which is occurring in our county and will most likely continue. Amortization will also decrease the charge to our citizens. With a 30 year bond issue, it allows the future residents of our county to bear the expense of building and maintaining this project which is so necessary to serve them.

This has been prepared from factual documented material prepared by Dr. Benjamin Goldberg, special consultant of the Board of Supervisors in planning a new Riverside General Hospital.

We, the citizens of Palm Springs, who have studied these problems recommend that you

WALTER H. REUNING

New Minister to be Graduated Next Tuesday

Walter H. Reuning of Westfield, New Jersey, will be one of a class of 150 which will graduate from Concordia Seminary Tuesday.

Upon graduation he will have completed 10 years of training for the ministry in the Lutheran Church—Missouri Synod and will be eligible to accept his appointment to the pastorate of Our Savior's Lutheran Church in Palm Springs.

The son of Rev. and Mrs. Walter A. Reuning of Westfield, New Jersey, he will graduate with the degree of Bachelor of Arts and a Theological diploma.

Twenty-five years of age, Reuning will be married to Miss Donna Mae Peters of Stewartville, Minnesota, on June 9.

He began his schooling in the Westfield public schools, from where he entered Concordia Collegiate Institute in Bronxville, N.Y. He enrolled at Concordia Seminary in 1951. While at the seminary Reuning served as Chapel Organist for four years.

Service Hour Changes Sunday for Community

The Community Church of Cathedral City has changed its hour of service for the summer to 9:30 a.m. Tomorrow a family service will be held, with the older classes meeting with the congregation.

Rev. Dr. Graham Hunter will preach the sermon on "First they gave their own selves to the Lord."

Classes will be provided for nursery, kindergarten and first grade.

A potluck supper will be held on Tuesday at 6:30. After the meal Sam Arner will show pictures of Guatemala and Yucatan.

The Daily Vacation Bible School begins at 9 a.m., Monday, closing on Friday, June 15. Mrs. Perry Williams is superintendent. On Thursday evening, June 14, the school will present a program to show parents what has been studied.

Rev. and Mrs. Barry Cavaghan of Fullerton will lead the worship on Sunday mornings at 6:30 through July and August, with a social program for young people on Saturday evenings. Mr. Cavaghan has just graduated from the theological seminary and is to be connected with another of the desert churches this autumn.

Miss Mary Hoover, choir director, has been chosen to be one of the leaders of two of the choir camps at the Presbyterian conference grounds at Pacific Palisades during July. Five high school students and two junior high have already enrolled for summer conferences in July.

This year the staff of workers has increased and a much larger school is anticipated over last year's 200 enrollment. The ten day school will be climaxed with an evening program when pupils will show what has been done.

The teachers working in the school are:

Beginners Department—Mrs. Al Normandin, superintendent.

Mrs. La Verne Brady, Joanne Cameron, Mrs. Denzil Blanken-

ship, Mrs. J. Mullins, Mrs. Paul Berta, Mrs. Bud Tuttle, Mrs. Cable, Mrs. Higgins, Darlene Cole, Mrs. Bogert, Mrs. Raleigh Bias, Mrs. Stewart, Mrs. Smith, Mrs. Coledge, Mrs. Parsons, Mrs. Donald Cole.

Primary Department—Mrs. Stephen Smith, superintendent.

Thor Fredrickson, Mrs. Earle Mitchell, Mrs. Maidhoff, Mrs. Ted Green, Mrs. L. Ashbaugh, Mrs. Margot Morrison, Mrs. Virginia Betz, Mrs. Robert Robertson, Doraden Parker, Beverly Beck, Mrs. Rena Maynard, Diana Maynard, Mrs. Vera Sheptenko, Mrs. Edna Hollinger, Mrs. Lyle Smith, Mrs. Katherine Reakes.

Junior Department—Mrs. Frank Little, superintendent, Mrs. Gordon Nicholson, Mrs. Bill Lux, Mrs.

The "Five C's" have elected Mrs. Edward Richey, president; Mrs. Perry Williams, vice president; Mrs. Walter Colglazier, secretary, and Robert Blauvelt, treasurer. Mrs. Richey is a newcomer from the First Congregational Church of Long Beach. The Club is helping to finance the summer conference program.

Life After Death to be Sermon at Our Savior's

"What About Life After Death?" is the question which Rev. LeRoy Hass will answer in his sermon Sunday at Our Savior's Lutheran Church service at the American Legion Hall. The story of Lazarus and the rich man will form the basis of the sermon.

Holy Communion will be celebrated in the 10:30 a.m. service. As is customary, a Confessional service precedes the Communion service. The Confessional service is designed to prepare the Communicants for the celebration of the Lord's Supper.

Mrs. Margaret Zappe and Mrs. Fred Hathaway returned from the Lutheran Women's Missionary League Convention this past week, and will make an informal report on the happenings at the convention at Mrs. Zappe's home in Cathedral City at 8 p.m. Tuesday.

The Church Council will hold an important meeting at 8 p.m., Wednesday.

Pastor Hoemann, formerly the Lutheran Pastor at Brawley, will be installed as the new pastor at Banning on Sunday afternoon at 3 p.m. Grace Lutheran Church of Banning extends a cordial invitation to the Palm Springs Church members to attend the installation services.

Portrait of Jesus to be Sermon

"A Portrait of Jesus" will be the sermon topic for the First Baptist Church in Indio next Sunday morning at 9:30 a.m., with the Rev. Richard A. Uzzel, minister, preaching. Miss Franda Brace will render a vocal solo, accompanied by Mrs. Don Dutton.

The church meets at the corner of Requa and Jackson Streets and is sponsored by the First Baptist Church in Thermal and the Southern California Baptist Convention Church Extension Department. The group will hold a prayer and planning conference Thursday evening at 8 p.m. at 44-252 North Jackson Street.

Sunday School at Community to be Continued

Sunday School at the Community Church will continue with regular classes all through the month of June meeting at 9:30 each Sunday morning.

The regular morning worship service is held at 11 a.m. in the church sanctuary. This Sunday the Sacrament of Holy Communion will be served and reception of new members will be held. A trained nurse is in charge of the nursery and all parents are urged to take advantage of this service in order to attend the Sunday School class and morning worship service.

At 6:15 the Christian Endeavor Societies will meet. The Junior High Department meets in the Youth Chapel and the High School Group will meet in the church parlor at the same time. Dr. James Blackstone, Jr., pastor, will be in charge of the group and they will have a "Western Union Meeting."

At the evening meeting at 7:30 Merle Hancock will be in charge of the congregational singing and the topic of the message will be "The Everlasting Gospel."

Around Town

with Hildy Crawford

Without being Bohemian or Laguna-ish... Palm Springs is packed with talent... Besides the big name stars of movies, television, radio and opera, who own homes here... merchant princes, international financiers, top executives... artists, novelists, song writers, and musicians... there are so many other Villagers with real talent... This week's discovery is someone who has lived here for many years... Young, attractive, and gifted, she is well known... but it is doubtful if very many people know that she is the creator of Howdy Doody, TV's freckled-faced marionette, beloved of the younger set... See if you can guess who she is...

She and her husband (every golfer everywhere knows him) live at Thunderbird (this is natural as he started this beautiful country club)... and many of you have seen her sing and dance in one of the Club shows... She does this well, as she was in show business before she was married... and appeared on the Orpheum circuit... She is artistic... does interior decorating with a flair... and delightful mosaics.

Perhaps her greatest accomplishment is with puppets... which she has been working with since she was 15 (she was with Edgar Bergen at one time)... and there is a miniature theatre... complete with curtained and footlight stage, in their Thunderbird home... where she sometimes stages marionette shows for small groups of friends... She designed and made the marionettes used in the "Brer Rabbit" television series (these were filmed in color three years ago and await the advent of more color sets).

In the interior decorating field... she has recently done the interiors of the clubhouse at Silverado Country Club, which her husband is developing (it's up north near Napa, on the old Silverado Trail)... You must have guessed by now... It's Velma Wayne Dawson... wife of Johnny Dawson...

We were privileged to have Velma stage a puppet show for us... in her fascinating little theatre... and it was one of the most interesting evenings of a year that has been packed with unique and wonderful events... Velma is already popular in Palm Springs society... but wait till the kids discover her... In the small intimate group were Vie and Bud Graves (Bud did one of his fabulous plastic handbags for Velma... and decorated it with marionettes)... Dixie and Bill Tomberlin (they are radiantly happy about their date with the stork next fall), who

Candlelight Ceremony Unites Pair

The Community Church was the scene of a very pretty wedding, when Marilyn Isbell walked down the white-carpeted aisle to exchange vows with Robert Robertson. She was given in marriage by her brother Marvin Isbell, and Dr. James H. Blackstone, Jr., and Rev. Deran Yaylian officiated at the candlelight ceremony.

Large baskets of white stock and gladioli decorated the sanctuary, with tall white tapers and gladioli on the altar.

The bride, daughter of Mrs. Bessie Isbell, wore a walk-length gown of white embroidered organza, with a short veil and crown of pearls. Her wedding bouquet was fashioned of white and pale pink carnations.

The bride was attended by her sister-in-law Mrs. Marvin Isbell, who wore ice blue organza. The bridesmaid, Bette and Donna Robertson, sisters of the bridegroom, wore coral gowns and carried nosegays of carnations. Darleen Isbell, niece of the bride, was flower girl.

Bill Robertson was best man and ushers were Bob Henderson, Marvin Logan, Kenny Price and Lester Busby.

Around 200 guests attended the wedding reception, which was held in the church parlors where the three-tiered wedding cake was cut by the bride and groom, and served with punch.

The newlyweds are at home after a short honeymoon to Catalina.

A CANDLELIGHT CEREMONY at the Community Church united Marilyn Isbell and Robert Robertson on May 24. She is the daughter of Mrs. Bessie Isbell and he is the son of Mr. and Mrs. W. D. Robertson.

Triple Event for Al Sirotts

This is a big day for the Al Sirott family of 1044 South Calle Rolph. It is their anniversary, and their son, Mark, who graduates from Palm Springs High School tonight, is celebrating his 18th birthday.

Here to help celebrate the many events are Mr. Sirott's parents, Mr. and Mrs. William Sirott of Los Angeles; his brother and sister-in-law, Dr. and Mrs. Norman Sirott of Los Angeles; and his sister and brother-in-law, Mr. and Mrs. Paul Smoker of Los Angeles. All gathered for a family dinner at the Biltmore last night, and attend commencement tonight.

Mr. and Mrs. Warren Cable, who recently moved into their new house at 1174 San Lucas Road, returned home Wednesday evening after five days in San Francisco. Her mother, Mrs. Agnes Schneider, returned home with them to spend a week or two.

Summer Plans

Mrs. N. H. Bell and daughter, Joan, will spend the summer in Palo Alto. Joan is employed in the gift department at Bullocks, and they will go north about mid-June, when her vacation starts. Mrs. Bell's other daughter Mrs. William Graham, lives in San Francisco.

Mr. and Mrs. L. W. Raleigh, who have spent the winter at their house at 433 East Andreas, leave next week to summer at their home in Pueblo, Colorado.

Mrs. Rose Sakofsky and daughter, Kaye, will go into Los Angeles this weekend for the summer. Kaye, a member of the high school graduating class, plans to take a summer course at UCLA.

Corrine Strebe in Westlake's Graduating Class

Miss Corrine Strebe, daughter of George Strebe, will be among the graduates at the fiftieth annual commencement exercises of the Westlake School for Girls held Wednesday, June 13, at 11 o'clock on the Terrace Lawn. The commencement address will be given by Dr. Raymond B. Allen, Chancellor of the University of California at Los Angeles.

Miss Helen Temple, Principal, will welcome the parents and speak on "The Long Way." Miss Carol Mills, co-principal, whose talk is entitled, "The Power Within," will join Miss Temple in the presentation of the diplomas.

Miss Strebe, is graduating after four years at Westlake. She has held such offices as president of the Dormitory, and vice-president of her class.

The 28 seniors, led by Anne Watkins, senior class president, will be gowned in embroidered organdy, and will carry spring bouquets of pink and blue flowers tied with pink satin ribbons. Their junior flower girls will wear pastel formals and will present the bouquets to the seniors. Georgeann Strebe will be a junior flower girl.

The Commencement activities will begin with the junior-senior promenade at the Bel Air Hotel on Friday evening, June 2. The dance will be preceded by dinner parties at the hotel. The seniors and their escorts will again be entertained on graduation night at the Statler Hotel. Following the evening's activities, the senior class will be entertained at an early morning breakfast.

AT THE RANCH CLUB for its closing dinner has just returned from Europe, the noted author dance were, from left, Mrs. Noel Clarke, who Erle Stanley Gardner, and Anita Haskell Jones. (Desert Sun Photo)

Steak Fry

Masons, sojourners and friends will meet at the Palm Springs Playhouse this evening at 6:30 for the annual Masonic Steak Fry. Clarence Brechlin is chairman for the event.

Mrs. Eunice Moore of San Francisco, is here visiting her brother and sister-in-law, Mr. and Mrs. L. F. Head of 1363 Amapola Street.

Beachcomber Staff has Party Before Closing

Sunny Sund, who owns the Don the Beachcomber restaurants, was here Monday evening, when about 50 members of the Palm Springs Beachcomber staff, their wives and guests, enjoyed an end-of-the-season party at the Rossmore Hotel, from 11:30 to 2 a.m.

Bud Bachold, Beachcomber manager, Pat O'Dea and Eddie King were among others at the party which featured a late buffet, dancing, and entertainment by Rossmore's star, Ukie Sherin.

The Beachcomber, which closed Thursday midnight, will reopen early in October.

Miss Sund and the Bacholds and a party of about 10, plan a Honolulu vacation at summer's end.

For a refreshing summertime drink, add 1/4 cup of grape juice to 1 cup of lemonade.

Cerebral Palsy, Mental Deficiency Can Now Be Treated at Home

Denver, Colo. Special—Our researchers have definitely found the cause and a successful method of detecting, preventing and correcting cerebral palsy and mental deficiency in their early stages.

Dr. J. H. Jones, Denver Doctor, and his staff of experts, who have been successful in treating thousands of cases of cerebral palsy and mental deficiency, are now offering a home treatment program for these conditions. This program is based on the latest scientific discoveries and is designed to be used by parents at home. It is a simple, practical, and effective method of treating these conditions, and it has been found to be successful in many cases. The program is available in book form at \$5—free to mothers who cannot pay. Family chiropractors will provide any chiropractic care and guidance needed.

Ranch Club Has Final Dinner Dance of Season

The Palm Springs Ranch Club held its last dinner dance Thursday evening before closing its dining room for the summer.

Dining and dancing to the music of Hal White's orchestra was a merry crowd which included Scott Brady and Nora Haymes Brod Crawford, who is weekend-ing at the Ranch Club, was there with Bert Friedlob. "The Charles Farrells were there and Mrs. Noel Clarke, just back from Europe. Anita Haskell Jones was with Erle Stanley Gardner and Dr. Lemoin Snyder, the eminent medical criminologist, Mrs. Dean Bethel and Isabelle Parker. Among others were the Paul Millers and the Dewey Carters.

A feature of the evening was the orchestra's presentation of Ted Grouya's "Palm Springs Polka," with Clessa Williams singing the Paul Herrick lyrics. Just introduced, the song is rapidly becoming a demand number here.

While the Ranch Club dining room is closed for the summer, with its crew transferred to the Capistrano Beach Club, the snack bar remains open and there will be swimming and tennis for members during the summer.

Attend Graduation
Mr. and Mrs. Ted Seguin of Pasadena, are here to attend the high school graduation exercises this evening, as their niece Carol Ann Saindon is one of the graduates. Carol Ann and her mother Mrs. Kay Saindon go to Seattle in mid-June, and plan a fortnight's visit to Chicago sometime during the summer.

Michigan State University food specialists suggest using crisp bacon, crumbled in bits, in green salads which have been seasoned with oil and vinegar.

TODAY'S SPORT PARADE

By OSCAR FRALEY
United Press Sports Writer
Reg. U.S. Pat. Off.

NEW YORK (AP)—Fearless Fraley's facts and figures

Major league pitchers have been having one of their most weird seasons—either very, very good or very, very bad.

On the good side, there was Carl Erskine's no-hitter; one-hitters by Ray Manzoni of the Giants and Art Ditmar of Kansas City, and two-hitters by Herb Score of Cleveland, Don Ferrarese of Baltimore, Tom Brewer of the Red Sox and Jack Harshman of the White Sox.

There also have been a total of 13 three-hitters, which illustrates that the pitchers haven't been taking all the lumps.

But some of them have been taking more than their share.

AS EXAMPLE, there have been eight 15-hit games; nine 16-hit games; three 17-hit games all against Detroit; two 18-hit bouts and a pair of horrendous affairs in which Red Sox and White Sox hurlers gave up 20 hits.

Cary Middlecoff will win the U.S. Open and the PGA golf championships which are coming up, according to a poll of 83 golf writers by Herb Graffis of Golfing magazine, while Harvie Ward is the pick to defend successfully the national amateur.

There are Ben Hogan for a record fifth, the bull-strong Ford to outlast the weary field in defending the PGA and young Joe Campbell in the Amateur.

Happy birthday today, Johnny Bulla 42; Tuesday, Lou Brisnie 32; Eddie Joost 40 and Marion Motley 36; Wednesday, Bill Dickey 49; Thursday, Rocky Graziano 34 and Friday, Del Etnis 31.

Bobby Locke, the former British Open champion, credits his tremendous golfing success to playing the ukulele and two schooners of suds. Locke says that you have to relax completely, before and after a match, to play your best.

A FIELD OF 78 is lined up for the year's most unusual bowling tournament. It's the \$30,000 affair at Chicago Sept. 7-9, which is open only to those who have rolled 300 games in ABC competition this season. . . . Meaning every man's a champ.

Maybe it's a tipoff on what to expect from the old guard of golf this summer but 43-year-old Mike Turnesa recently shot a course record 64 on the par 71 Knollwood Country Club course.

This is the same Turnesa who lost to Ben Hogan in the 1948 PGA finals and he says of his game today: "I've never played better."

So the young guys hadn't better start counting the money yet.

Cougars Defeat USC in Opener

PULLMAN, Wash. (AP)—Washington State College was in the driver's seat today as it resumed a best of three series with the University of Southern California for the Pacific Coast Conference baseball title.

The Cougars took the first game of the set Friday, 6-2, behind steady pitching by Jerry Bartow.

"We've got them running now," said WSC Coach Buck Bailey. "The Trojans have only that one chance, in the next game or they are dead."

WSC pushed across three runs in the fifth inning and was never threatened behind Bartow's control pitching.

Swimming Marks Given Approval

LAUSANNE, Switzerland—American swimmers George Breen and Bill Yorzyck each received official approval for two world records today by the International Swimming Federation.

Breen, a leading Olympic hope from Cortland, N.Y. State Teachers College, was clocked in 17:05.9 for the 1,500-meter free-style and was timed in 19:40.4 for the one-mile freestyle.

Yorzyck, who represents the New Haven swim club, set new records for the 200-meter butterfly 2:16.7 and the 200-yard butterfly 2:18.7 at Winchendon, Mass., April 14.

Pros Vote to Hire Tourney Manager

DALLAS (AP)—The Professional Golfers Association was in the market for a tournament manager today and the PGA executive committee will select the man for the job.

The group's players committee held an open meeting of the touring pros here Friday night and the men voted to hire a tournament manager and take his salary out of their purses for one year.

Ceremonies Monday to Start Little League Play

First Ball to be Hurlled by Mayor Boyd

Double-Header To Inaugurate Season At Polo Grounds

Traditional opening game ceremonies will mark the start of the 1956 campaign of the Little League Monday night at Polo Grounds, James Morton, LL vice president, said today.

The program will start at 6:45 with the flag raising, pledge of allegiance to the flag and the taking of the Little League oath.

INVOCATION will be by the Rev. W. A. Blondon, St. Paul's Church, Magr. John Powers, Our Lady of Solitude Church, Rabbi Leon W. Rosenberg of Temple Isaiah and Dr. James H. Blackstone, Jr., Community Church.

Wallace R. Mueller, superintendent of schools, will also participate in the program.

Mayor Florian G. Boyd will pitch the first ball at 7 p.m. and the season will be on.

THE OPENING GAME will pit Streebs Stars against Hathaway-Buick. At 8:30 p.m., Boys Club will take on the Junior Police.

Friday night, in the second outing for the Little Leaguers, Hathaway-Buick meets Boys' Club and Streebs Stars tangle with the Junior Police.

Delany, Nielsen Crash 4-Minute Barrier in Mile

COMPTON, Calif. (AP)—Ron Delany, an Irishman, and Gunnar Nielsen, a Dane, today joined the select but growing ranks of those who have cracked the four-minute mile. An American has yet to crack it.

Delany and Nielsen, co-holder of the world's 1,500-meter record, became the seventh and eighth men, respectively, to break the barrier Friday night at the record-breaking 17th annual Compton Invitational Track Meet. Delany hit the tape at 3:50 to nip Nielsen by a fraction of a second.

The Danish mile's time was 3:59.1. The barrier has now been surpassed 14 times, six of which can be credited to Australia's John Landy who holds the world record of 3:58 for the course.

The meet, acclaimed the greatest in its 17-year-history, saw one world record, the 100-meter dash equalled; one American record in the 400 meter broken, nine meet records broken and two meet records tied.

Ira Murchison, U.S. Army sprinter serving in Europe, equaled the world record of 10.2 in winning the 100-meter dash. He defeated a field composed of Willie Williams, formerly of the University of Illinois, and Alex Burl, formerly of Colorado A&M and now serving with the Army.

PATTERSON'S PHYSICAL

MONTICELLO, N.Y. (AP)—Floyd Patterson will box today and Sunday and then leave for New York Monday for a physical examination. He is in training here for his heavyweight elimination bout with Tommy Hurricane Jackson in Madison Square Garden, June 8.

POWELL MEETS RISCHER

HOLLYWOOD (AP)—Charlie Powell, the star San Francisco 49'er defensive end, resumes his boxing career locally tonight when he squares off against Roger Rischer, of Oakland, in the 10-round main event at the Hollywood Legion Stadium.

PIKTUZIS RELEASED

LOS ANGELES (AP)—Left-hander George Piktuzis, rated as one of the up and coming pitchers in the Pacific Coast League last season, yesterday was released outright by the Los Angeles Angels to Tulsa of the Texas League.

Palm House, Pow Wows to Open Season

Desert League To Get Under Way On Tuesday Night

Palm House Softball team, winners of last year's Cup series, and Twentynine Palms Pow Wows crack open the 1956 Desert Softball League next Tuesday, June 5, at the Polo Grounds in a season which will run through August.

Games are scheduled each Tuesday, Wednesday and Thursday nights with frequent double-headers on the list. Single games will start at 8 p.m. and double-headers at 7:30 p.m.

SEVEN TEAMS are in the league this year, Palm House, Merchants, Mexican Colony, Desert Hot Springs, Laury's Steak Ranch, Pow Wows and Desert Nite Hawks.

Following the close of the Little League season in August, Desert League games will be scheduled five nights a week.

Tuesday's opening game will send the Pow Wows, a new team in the loop this year, against the Palm House, one of the favorites to repeat this year. Red Keene is against managing the Palm House.

OTHER GAMES next week are: Wednesday—Merchants vs. Nite Hawks, 8 p.m., Polo Grounds; Laury's vs. Desert Hot Springs, 8 p.m., at Desert Hot Springs.

Thursday—Mexican Colony vs. Nite Hawks, 7:30 p.m., Desert Hot Springs vs. Palm House 9:10 p.m. Howard Haddock, City Recreation Department superintendent, reminder Villagers that admission to the games is free.

Seek Title Bout for Boardman

NEW YORK (AP)—Larry Boardman, a remarkable young Connecticut lightweight who fights like Jack Dempsey, may get a shot at the 135-pound crown at Boston Sept. 10 because of his ninth-round knockout of Frankie Ryff at Madison Square Garden Friday night.

Sam Silverman, Boston promoter, said "a guarantee of \$50,000 will be offered champion Wallace Bud Smith for a defense against Boardman in September, and if he refuses, the Massachusetts Boxing Commission will ask the NBA to vacate his title."

Fight Results

NEW YORK, Madison Square Garden. Larry Boardman, 137 1/2, Marlborough, Conn., knocked out Frankie Ryff, 137 1/2, Seattle 3, Hollywood 2, New York 6.

CHARLOTTE, N.C. Nine Valdes, 210, Cuba, stopped Ken Hammer, 195, Detroit, 8.

All Members of State Athletic Board to Resign

LOS ANGELES (AP)—Gov. Goodwin J. Knight today had a "free hand" to revise California boxing and wrestling regulations with announcement that all five members of the state athletic commission were submitting their resignations.

The commissioners' action followed a state investigation which revealed purse splitting and at least a dozen alleged "fixed" fights.

The governor stressed Friday as far as he knew there had been "no accusations of misconduct" against the commissioners.

There was no indication he requested the resignations. He had said earlier he did not believe the commissioners actually had enough time to properly oversee boxing in addition to their private business. He indicated adoption of a full-time, paid commission patterned after that of New York might be considered.

Knight said he thought the resignations "might be a step in the right direction" since it would give him a clean slate to start with.

Fay Crocker in Lead by Stroke

PITTSBURGH (AP)—Fay Crocker, U.S. Women's Open golf champion from Uruguay, held a one stroke lead today in the Dodge Women's Invitational golf tourney by virtue of a record-tying par 70 round at Churchill Valley Country Club in the second day of play.

Miss Crocker's sparkling short-game on the windswept course Friday gave the veteran competitor a 36-hole total of 145 and a single-stroke edge over Patty Berg, who went five over par on the second nine to lose her first round leadership in the four-day medal play tourney.

Gehrig Anniversary

NEW YORK (AP)—In commemoration of the 15th anniversary of Lou Gehrig's death, his wife, Elleanor, has again consented to serve as national campaign chairman of the Muscular Dystrophy Association of America, Inc. Gehrig died 15 years ago today from muscular dystrophy.

Hollypark Hikes Stakes Purses

INGLEWOOD, (AP)—Hollywood Park today embarked on a program of increased stakes purses for the month of June with the statement that the racetrack was enjoying one of its most successful meetings in years.

General manager James D. Stewart also announced that the El Dorado Handicap June 9 would be increased from \$25,000 to \$35,000, the Inglewood Handicap June 23 from \$25,000 to \$50,000 and the Vanity Handicap June 30 from \$30,000 to \$35,000 added.

Pitchers Take Charge in PCL

By DON THACKREY
United Press Sports Writer
The much-abused pitchers in the Pacific Coast League gave themselves a benefit night Friday night and for the most part let the home run hitters and the bull pen crew have a vacation.

Only three home runs were clouted in the four games and five of the eight starting pitchers stuck around to enjoy the final plaudits of the crowd.

Consequently all the games were close. San Francisco edged league-leading Los Angeles 3-2 without giving Steve Bilko a go-popper ball. Seattle crept by Hollywood by the same 3-2 score. San Diego got a 4-3 win from Vancouver and Portland beat Sacramento 3-1.

Pirates Move to Within Half Game of First in National League Race

By UNITED PRESS
These incredible Pittsburgh Pirates were on the very threshold today of the "promised land" — first place in the National League — and if they can make the jump, it will be the first time in eight years.

Throwing out opening day, the Pirates haven't known what it's like to be on top since May 10, 1948.

But the amazing Buccaneers edged to within a half game of first place Friday night, moving into second place over the Cardinals by coming from behind to beat league-leading Milwaukee 4-1.

Baltimore runs with a pair of singles off Bob Keegan.

LEFT-HANDER BOB Wiesler of the Senators pitched his first complete game in the majors in beating Bob Lemon of the Indians 5-3. The loss was Cleveland's fourth straight and oddity, it was Lemon's namesake, Washington outfielder Jim Lemon, who drove in the deciding run in the seventh with a single.

Tom Brewer, the right-handed ace of the Red Sox pitching staff, hurled five-hit ball to defeat the Athletics 5-0. The Red Sox hopped on rookie Troy Herriage for two runs in the second inning on three singles and a sacrifice fly and that proved enough for Brewer, who registered his sixth straight victory and seventh of the season.

Littler Among Dallas Leaders

DALLAS (AP)—Cary Middlecoff and Gene Littler, a pair of pros noted for their front-running ability, and young Bill Casper Jr., who has never tasted the fruits of victory, had a stroke on the field as the \$70,000 Texas International golf tournament's second round started today.

This intrepid threesome yanked six strokes off Preston Hollow Country Club's short but treacherous 6,200-yard par-35-70 layout Friday.

Gibson is Favored

SURBITON, England (AP)—Althea Gibson of New York was a heavy favorite to capture her eighth straight women's singles title today when she faced Anne Shilcock of England in the finals of the Surrey county tennis championships.

American Netters Win

BARCELONA, Spain (AP)—Art Larsen, Herb Flam and Bob Perry, all of California, and Bob Howe of Australia today held berths in the semifinals of the Count Godo international tennis tournament.

Camera Failure Forces Judges to Use Eagle Eyes

BALTIMORE, Md. (AP)—Pimlico race track officials faced the embarrassing problem Friday of a three-horse photo finish minus the photo.

Three horses crossed the finish line together in the sixth race which was run on the secondary track. As they flashed by, the camera operator pushed the wrong button. He made a fine picture of the vacant main track.

Relying on the naked eye, the judges proclaimed as the winner a \$71.60 long shot, Di-Or-Model. Case Tip, the betting favorite, was second and O'Meara was third.

Chamber Contest Offers Hawaii Trip to Winners

Due to the sponsorship by the Palm Springs Chamber of Commerce of the special 8-day Hawaiian Holiday via Transocean Airlines, August 16 through the 25, Transocean has made available to the Chamber four round trip tickets to Honolulu with accommodations at Hawaiian Village, many interesting sightseeing trips, authentic luau and other festivities. These will be awarded to a lucky Chamber of Commerce member couple selling new memberships, and the couple who are the new members, according to the announcement of Manager Jimmy Cooper.

For each new membership in the Chamber of Commerce sold, a ticket will be deposited in a box with both the member's name on it and the name of the new member. At the conclusion of the contest one ticket will be drawn entitling the member couple and the new member couple to the eight-day holiday in Hawaii. The contest started June 1 and runs until midnight, July 16. Place and time of the drawing will be announced later. Employees of the Chamber of Commerce are not eligible for participation. Letters have gone out to all Chamber members advising them of the contest. Any additional information may be secured from Manager Cooper or Membership Secretary Doris Christian.

"The Problem
now is an
EMERGENCY"

A MUST FOR RIVERSIDE COUNTY

It's no fault of your county employee . . .

He deplores inefficiency, waste, added tax burdens resulting from . . .

Badly overcrowded working space, lack of facilities, scattered offices . . .

Riverside County has grown . . . County facilities have not . . .

Private industry would not tolerate such a costly situation . . .

It is YOUR county government . . . Only YOU can remedy this problem . . .

As in the case of schools, costs must be spread over a period of years . . .

That is why a bond issue is proposed for new county buildings . . .

County buildings . . . A MUST . . . Vote YES

A and B BUILD YES! RIVERSIDE COUNTY

Bond issues are proposed to meet a growing and costly deficiency. The need is now!

Population of Riverside County has increased 184% since 1930. County-owned office space is up only 32%. Departmental workloads are up as much as 490%.

The general county building proposal would increase county working space by 132% over 1930. This would care for county needs through 1970 when population will be up 322%.

A modern Honor Farm will be built to relieve a badly overcrowded jail. It is less costly than new jail facilities.

An Agricultural Center will bring together the two agricultural agencies to meet farm needs, a recognized must.

Decentralization is needed for this growing county. Administrative centers would be built at Indio, Blythe, Palm Springs, Beaumont-Banning, Hemet, Elsinore, Corona.

At Riverside, the county seat, badly needed office space and warehouse facilities will be built, related departments brought together for greater efficiency.

This is a bond issue to buy more efficient government.

A second issue will rehabilitate the County General Hospital. This problem can be put aside no longer.

The Good...and...The Bad

IN THE WEEK'S NEWS
By UNITED PRESS

THE GOOD

1. President Eisenhower decided to send Gen. Nathan F. Twining, chief of staff of the Air Force, to Moscow for an observance of Soviet Aviation Day on June 24. The invitation had been extended by the Soviet government.

Some misgivings were voiced over the advisability of the Twining visit. It was suggested that the invitation was merely a Kremlin propaganda move, aimed partly at getting invitations for high Soviet leaders to visit the United States.

The President apparently figured that Twining's visit could do no harm and might do good as one step toward an eventual break in the disarmament deadlock. Also, Air Force chiefs of other Allied countries will attend the show.

2. The United Nations Command ordered the neutral nations armistice inspection teams out of South Korea because of persistent truce violations by the North Korean and Chinese Communists.

The decision ended a farcical situation—and a dangerous one. For instance, the Reds have moved 400 to 500 war planes into North Korea since the truce. Before then, they had none—the Allies completely dominated the air. The Communists will not let the teams inspect their territory.

3. Chancellor Konrad Adenauer's West Germany government made a series of proposals to the East German Communists for restoring normal communications between the two areas.

In a second step, the West German government charged that the Reds still hold 18,900 political prisoners. In both actions, Adenauer evidently sought to take advantage of the loosening up in the Red satellite countries incident to the debunking of Josef Stalin.

THE BAD

1. The French National Assembly opened a critical debate on Premier Guy Mollet's North African and internal policies. The debate will lead up to a confidence vote next week, probably Tuesday.

It was forecast that Mollet would win—but only because no political group wants to take responsibility for overthrowing his government at this time.

Algerian nationalists were in open, bloody rebellion. In France, there were serious riots, Communist-fomented, against drafting men for service in Algeria. Troops en route to Africa repeatedly slowed up railroad trains by pulling emergency stop-signals.

2. Premier Antonio Segni's Christian Democrats and their allies won a technical victory in elections for local governments throughout Italy. They increased their total popular vote, and the Communists lost votes.

But in many cities, including Rome, the Christian Democrats failed to get the majorities they needed to keep control of local governments. The result was a deadlock.

Segni faced the choice of seeking support from either left or right wings, or calling new elections.

3. Violence blazed throughout Cyprus. Rebels who demand that Britain give the island to Greece assassinated British troops, Turkish Cypriot policemen and Greek Cypriot civilians.

In London, Queen Elizabeth II was heavily guarded by police when she attended on Thursday the official celebration of her birthday. Scotland Yard feared an attempt by Cypriot gunmen to assassinate her.

The Railway Express Agency has retired the last of its electric-powered trucks. The company used battery-driven vehicles since 1910.

Area Voters Go to Polls on Vital Issues Tuesday

Continued from Page 1
two candidates are to be voted upon: Area 4, Wilber J. Corwin and Charles Wilkerson; Area 6, Donald H. Mitchell, unopposed; and Area 7, Doris J. Callison, unopposed.

Two important propositions are on the ballot of the June 5 Primary. The first is the hospital bonds, totaling \$2,404,000, to improve the Riverside County Hospital. Under direction of Dr. Benjamin Goldberg, a public education program in behalf of the issue has been conducted with the backing of civic leaders from every incorporated and unincorporated area of the county.

THE SECOND proposition, Riverside County building bonds, which will amount to a total of \$4,316,000 indebtedness in the county, will be a five-point construction program of new county buildings and offices, new branch offices for the local area, new agriculture offices or county government, facilities for an industrial farm and a new building for communication facilities, warehouse and storage use. Political observers believe the vote will be close.

In the race for members of the County Central Committees voters will elect five. On the Republican ballot, four names appear, Friend Wilson, Mrs. Melba Bennett, Barry D. Whittlesey, and Catherine Woodworth. Two Palm Springs men have announced they are write-in candidates for a position on the committee and are J. Ray Corliss and A. Hoover.

On the Democratic ballot, ten are running for the post, including Herbert Hass, Lawrence Chatman, Dorothy Whinyk, Andrew W. Kasius, John B. Stranahan, Mrs. Ora Jared, Harry H. Moore, Doris Thacker, Frank J. Tebo and Wilcox T. Cross.

Election returns will be compiled hourly by The Desert Sun and can be obtained by interested local residents by calling 5005 during the evening. The Sun will carry Wednesday afternoon the complete local and county-wide results of the election.

Soviet Embassy Snooper Home for a 'Vacation'

WASHINGTON — Vladimir Mikheev, the Soviet Embassy statistician who tried to get information from U.S. government employees, has gone home for a "vacation."

Sergei Bogomolov, Soviet embassy third secretary, said today that the inquiring statistician and his family left quietly several days ago.

Mikheev's departure was voluntary as far as the United States was concerned. But some U.S. authorities think his "vacation" from his Washington post will be permanent.

Mikheev became a center of controversy when it was disclosed that he sought information from Air Force economist Sidney Harkin, then suspended on security grounds but now back on the federal payroll.

Two government librarians also said Mikheev contacted them in his quest for special data.

A MAN WHO HAS PROVEN
HIS COURAGE AND INTEGRITY

FIGHTER FOR GOOD law enforcement, Dr. Lemoin Snyder, criminologist, lawyer and the counties foremost authority on crime-medicine, and Author Stanley Gardner, talk with Police Chief August G. Kettmann at the Palm Springs police department. Gardner, who has also successfully headed the organization known as "The Court of Last Resort," told Kettmann that good law enforcement officers "cannot be gotten in a bargain basement and

that politics in police work is a weapon against police efficiency." He said that police departments of the nation must present an educational program to the public, and through public relations teach law-abiding programs. Gardner left the Village yesterday morning to go to his home in Paradise, California, where he will finish his newest book. (Desert Sun Photo)

Yorty Supporters Win Court Round

SAN FRANCISCO — Backers of former Rep. Samuel W. Yorty won the first round Friday in their court fight to keep supporters of state Sen. Richard Richards from circulating pamphlets inscribed "official Democratic ballot."

Superior Judge John B. Molinari, in issuing a preliminary injunction, said the pamphlets "tend to deceive" the Democratic voters because of the inscription.

The injunction will remain in effect pending a hearing for a permanent injunction.

Yorty and Richards are running against each other for the Senate seat presently held by Sen. Thomas Kuckel, a Republican.

Town Grows 50 Pct. in Day

CAMPTONVILLE — This little mountain town, about 80 miles northeast of Sacramento, laid claim today to having the largest proportionate population gain in California.

Until this week, the town had a population of eight persons. However, a family of four moved into town, boosting the number of residents by an even 50 per cent.

Scout Troop 77 Closes Season

12-SCOUT TROOP ... Troop 77, Boy Scouts of America, closed its spring season with a wienner roast at the home of Walt Pagan, new scoutmaster.

Matthew Woll Dies in New York

NEW YORK — Matthew Woll, AFL-CIO vice president and a labor leader for more than 50 years, died Friday in a New York hospital.

Woll, 76, who was also vice president of the International Photo-engravers Union, was usually identified with the conservative wings of the American labor movement.

Woll had been a protégé of Samuel Gompers, president of the American Federation of Labor, who died in 1924. Woll had hoped to succeed Gompers but was bitterly disappointed when the late William Green became Gompers' successor.

Jesse H. Jones Dies in Houston

HOUSTON, Tex., — Jesse H. Jones, a Tennessee farm boy who built a \$100 million fortune in Texas and served as a cabinet member and adviser to presidents, died Friday night at the age of 82.

Jones had been critically ill almost a week. A nephew, John T. Jones, said his uncle passed away "very quietly."

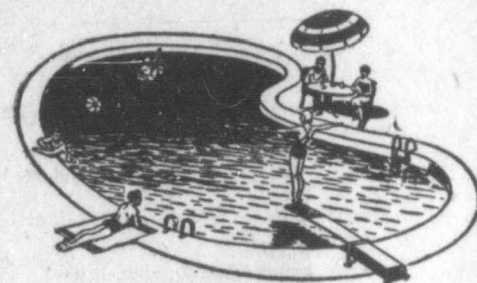

President Roosevelt once described Jones as "the only man in

Washington who can, and does, say 'yes' and 'no' intelligently 24 hours a day."

Jones never got beyond grammar school, although in later life a dozen colleges and universities gave him honorary degrees.

Error in Classified Hotel Ad Corrected

In the classified ads section of Friday's issue, The Desert Sun inadvertently placed the address and phone number of the Capri Hotel, 980 North Indian Ave., which offers apartments and rooms at \$100 for 2, in the listing of another advertiser offering rooms for \$3. The Sun regrets the error and is glad to make this correction.

Jackie Cochran Aide Confident of Vote Victory

The efforts of hundreds of volunteer campaign workers in all parts of the 29th Congressional District will carry Jacqueline Cochran Odum of Idaho to victory at the polls Tuesday, her Riverside county chairman, Harry R. Holman of Riverside predicted today.

Holman said indications were that Mrs. Odum will carry the Republican nomination by a substantial margin and will have a good chance to take the Democratic vote as well, to virtually clinch her election.

"Mrs. Odum goes to the polls carrying the endorsements of businessmen, veterans, labor organizations, farmers and thousands of other citizens who see in her the type of citizen needed for public duty," Holman declared. "Particularly have the women of the district responded to her candidacy. Hundreds have served unselfishly, at their own expense, for weeks to make sure of her election."

Saturday is the most dangerous day of the week to drive.

The Desert Sun
Gentlemen:

I wish to take this opportunity to express my appreciation to The Desert Sun for the wonderful help it has been to my business during the past season.

A great portion of my sales have been made directly or indirectly as a result of my advertising in The Desert Sun, especially since you have been publishing on a daily basis.

Here is one example of the effectiveness of my advertising in The Desert Sun: A packing company executive stopped by a newsstand to pick up a Desert Sun on his way back to the airport where his private plane was waiting to take him to San Jose. While flying high over Banning he read my ad regarding a large block of land on North Palm Canyon Drive. It interested him so much that he ordered his pilot to turn back to Palm Springs and telephoned from the airport to pick him up and show him the property. After a brief discussion and inspection of the property he purchased it and boarded his plane and flew on to San Jose. This is the second time this same parcel of land has sold as a result of an ad in The Desert Sun.

Here is another one. A doctor from Chicago with a Desert Sun in one hand and a portable typewriter which needed repairs in the other, tried to decide whether to come into our offices and inquire about our ad or whether to go across the street to have his typewriter repaired. He did decide to stick his head in the door and inquire about our ad in The Desert Sun. We didn't lose much time in showing him the property which he bought in 15 minutes. By the way he finally had the typewriter fixed.

There are many similar instances that I could tell you about, but am afraid I stick my head in my door and he won't be looking for a good buy in real estate, believe you me!

To our continued mutual success, I remain.

Respectfully yours,

PETER B. SHEPTENKO.
